

This document must be produced on your Organisation’s letterhead and uploaded in Step 7 of your application.

ORGANISATION’S DECLARATION

We (the undersigned) make this declaration stating by use of our best knowledge the following: We declare that:

1. All the information presented in this application - relating to the organisation represented and to the specific proposal/project for which grant funds are requested - is true and correct.
2. We have the authority to make this application on behalf of the applicant
3. This application has not been completed by a person who has any management or ownership interest in a Pub Charity Limited venue that hosts gaming machines ("a gaming machine venue key person").
4. When any grant money is obtained the persons, who decide how that money is spent will not be Pub Charity Limited gaming machine venue key persons.
5. When any grant money is obtained, a check will be undertaken and no payment will be made from grant money to any Pub Charity Limited gaming machine venue key person for any goods or service.
6. This application includes complete information relating to other sources of funding that our organisation has received, been pledged, applied for, or intends for future application, for this and other organisational projects. All prices and quotes included in this application represent the actual costs that will be incurred by our organisation.
7. We have read, understood and will comply with the full terms and conditions contained within the Online application that the organisation is completing.
