Tasman Swim Club Incorporated	Tasman Swim Club would love to own their own Omega Touchpads set, Storage Trolley & Omegs OIT5 pushbuttons. We currently use Swimming Nelson Marlborough's set, which was permanently loaned to SNM when the earthquakes hit Christchurch. The probable we are having is that because we share these with Marlborough... They are being driven by trailer an hour and half both quite regularly and the touch pads are being damaged and we are getting the blame. The trailer they go in is Tasman Swim Clubs and it's also full with our stuff which is constantly going missing each time it goes to Blenheim. If we had our own set the other set could stay in Marlborough. Win, win. We understand that these are very expensive, but this would be our last big ticket purchase. (an indoor 50 meter pool might be asking a bit much) We would happily add the Pub Charity logo to the new equipment and put it in our news letters, Facebook page and anywhere else we can think of.	\$39,709.00	\$39,709.00
